Upon completion of this plan, all property shall revert in Debtor.

Notwithstanding the reversion of property in Debtor, the court will retain its supervisory role post-confirmation to enforce Fed. R. Bankr. P. 3002.1 and provide any other relief necessary to effectuate this plan and the orderly administration of this case.

After the property reverts in Debtor, Debtor may sell, refinance or execute a loan modification regarding real or personal property without further order of the court with the approval of Trustee.

If the court terminates the automatic stay to permit a Class 1 or 2 secured claim holder or a party to an executory contract or unexpired lease to proceed against its collateral, unless the court orders otherwise, Trustee shall make no further payments on account of such secured claim, executory contract or unexpired lease claim, and any portion of such secured claim not previously satisfied under this plan shall be treated as a Class 3 claim. Any deficiency remaining after the creditor's disposition of its collateral for which Debtor has personal liability shall be treated as a Class 7 claim subject to the timely filing of a proof of claim.

4.03 Impermissible Provisions. Notwithstanding any other term in this plan, Debtor does not seek through the confirmation and completion of this plan either a determination of the dischargeability of any debt or the discharge of any debt that is non-dischargeable as a matter of law in a Chapter 13 case under 11 U.S.C. §1328.
